

A Social Story

Voyage at
Adelaide Zoo

Presented by

In collaboration with

In association with the following organisations in Singapore

Voyage entry

This Story tells me what a trip to Voyage will be like.

Voyage is located in the **Plane Tree Centre** across from the Adelaide Zoo main gate.

I will go through **big glass doors** to get to Voyage.

Voyage

Some areas **might be dark**, but I can follow an adult or my group through the pod.

I may need to **be patient** and wait my turn to enter. It can sometimes get loud while waiting.

I can put on my headphones or block my ears if I need.

Voyage pod

Next, there will be a large pod with high walls in front of me.

I will not touch the equipment, it is important to protect the pod.

Inside Voyage

The video will run for about 5 minutes.

In the digital experience, I will see **moving animations** of plants and animals.

Inside the pod, I will be quiet, but if I need to speak, I will use a **quiet voice**.

Voyage pod

I can leave the experience if I need some space.

There are **quiet areas** where I can go. I will tell an adult how I am feeling and we can find a quiet place together.

If I need to use the toilet, I will let an adult know and they will take me to the nearest toilet.

Relaxed hour

Every Wednesday from 2-3pm

See the experience during a Wednesday afternoon with reduced noise and a small number of people in the pod.

Adelaide Zoo

Going to Adelaide Zoo can be lots of fun. There are so many animals to see and different things to learn about.
